PHYS 1401 Lab Coordinator Notes

This term the lab budget covers replacement of worn equipment only. The list below is the inventory taken in the first week; please check the notes column before reserving an item for your section.

Table 1. Equipment inventory, week 1

Item	Quantity	Unit cost ($)	Notes
Digital multimeter	12	24.50	Two need new leads
Photogate timer	8	89.00	Calibrated in August
Spring scale (10 N)	15	7.25	
Air track glider	6	42.00	One cracked
Stopwatch	20	5.99	Replace batteries

Exam results

Scores are out of 100. The standard deviation is given to show how spread out each section was; the online section had the highest midterm mean but a lower final mean.

Table 2. Exam score summary by section

Section	Midterm		Final exam	
	Mean	SD	Mean	SD
001 (Mon/Wed)	71.4	12.2	74.9	10.8
002 (Tue/Thu)	68.0	14.5	70.3	13.1
003 (Online)	73.8	11.0	72.6	12.4
All sections	71.1	12.6	72.6	12.1

Sections 001 and 002 used the same problem sets. The difference between them is within the spread we usually see between a morning and an afternoon section.
